Prime scan dental radiology center,*Radiology and medical imaging specialist* ☺

- Responsible for performing Routine and special examinations of patients on dental x-ray machine vatech , planmeca (2D) and CBCT scans (3D).

07/2021 –
01/2022
Zagazig, Egypt

Al-Arbaeen charity hospital,*Radiology and medical imaging specialist* ☺

- Responsible for performing Routine and special examinations with or without contrast for patients on closed MRI simens (1.5T) , philips (1.5T) .
- Performin Routine and special examinations with or without contrast on open MRI siemens machines .
- performing Routine and special examinations with or without contrast on computed tomography CT simens (16 multislice) , Philips (128 multislice) .
- performing Routine and special examinations with or without contrast on X-ray (Dr) machines.

05/2021 –
01/2022
10th Ramadan,
Egypt

Al-Ahrar Teaching Hospital in Zagazig,*Radiology and medical imaging specialist* ☺

- Responsible for perform Routine and special examinations with or without contrast on closed MRI philips (1.5T) machines.
- Also performing Routine and special examinations with or without contrast on computed tomography CT GE (128 multislice) and CT simens (16 multislice) .
- performing Routine and special examinations with or without contrast on X-ray Fluoroscopy, (DR,CR).

12/2020 –
12/2021
Zagazig, Egypt

Technical skills

- I have skill and experience in working on all medical imaging devices including

- Magnetic resonance imaging MRI Closed

- Siemens (Closed 1.5T) .

- Philips (Closed 1.5T) .

- Philips (Closed 1.0T) .

- Magnetic resonance imaging MRI Open

- Hitachi (Open 0.3T) .

- Siemens (Open 0.3T) .

- Computed tomography (CT multislice)

- Siemens (16 , 64 , 128 multi slice) .

- GE Helthcare (16 , 128 multi slice) .

- *Toshiba (16 multi slice) .*
- *Philips (128 multi slice) .*

- *X-ray machine (CR , DR , Fluoroscopy , C-arm , mobile)*
- *Simens .*
- *Philips .*

- *Dental radiology (2D , 3D)*
- *Vatech .*
- *planmeca .*

- *Extracorporeal shock wave lithotripsy (ESWL)*
- *Electrohydraulic lithotripsy (ESWL) .*
- *Electromagnetic lithotripsy (ESWL) .*

Projects

Graduation project Ultrasound of hepatobiliary system
